

Alan,

It's glad to tell you that you are accepted by the vampire family. After that, we can drink blood and play happily together.

The Vampire Association

Honey,

I think it's time to say goodbye. I am going to work in another state for business. I'll send money home.

Dalv

Doctor Oscar,

I decided to test the Nelics – the strong effect anti-aging medicine. My salary should rise to \$8000 now. Hope I can be safe. God bless me.

Dalv

Dalv,

Welcome to vampire family. It would be a little strange in the beginning. Don't hate Alan.

The Vampire Association

Dalv,

I hope you understand. I have hidden from you for such a long time. Issac thinks I was dead and he's finding clues about us. It's time for us to tell him the truth.

Lisa

Dalv,

Worried about Biocreature Inc. They're likely doing human experiments. I don't agree that you take such risks. At least you should meet Oscar first.

Lisa

Emily,

if you feel ill please go to see doctor as soon as possible. I will go home soon.

Oscar

Lisa,

I was scared last night. I found a dead body in front of Dalv' house. It was really like you. What's going on? Are you OK?

Emily

Alan,

Dad doesn't have much time left and he wants to see you. He regreted to kick you out. Whatever, if you saw this letter, come to Oakland City Hospital.

Oscar

Oscar,

I bought a guitar! Right under Dalv's nose! And he didn't even notice it! It's amazing. Now we're talking about starting a band, you in?

Alan

Hey Issac,

Last night when I play my guitar in the metro station, a dude gave me 10 bucks and sat down, guess he just wanna buy my time. It was funny that he talked about his old man, the last word I wanna hear is 'dad'. His father left him for years and now since his mom dead he wanted the old bastard back.

Alan

Vampires

Can you help me please? I have a music dream but there are so many obstacles ahead. Can you clear them for me? I can do anything for you.

Alan

Lisa,

I am very worried about your illness. I'll go home tomorrow and I got an excuse from the band. I'll take enough money.

Issac

Dalv,

It's unbelievable that you earn so much money! It has been 4 years since you left home to work in another state. Mom said maybe you had some trouble in writing to us.

Issac

Dear Father,

I am writing this letter to inform you that mom passed away yesterday. Thank you for your money and your disappearance during these 5 years. I don't want to hurt someone and to be hurt. But sometimes I cannot control myself.

Issac

*Alan my boy,
I'm so worried about your health. Your father is such a butt, I regret to brought him to this world. It broke my heart to know you left home and won't come back for Christmas, I'm too old and weak, will I see you someday? Put on this sweater I made for you, it is warm and a bit larger, I wish you could eat more.
Grandma*

Oscar,

Stop wasting your time writing to that little shit. It might be father's smartest decision to kick it out. Just leave it to die!

Dalv

Jenna,

I should go to see a patient in Oakland City Hospital. Don't tell anyone my plan especially Dalv.

Alan

Uncle Oscar,

Thank you for the drum. But Dalv broke it yesterday and laughed at my music dream. Hate him.

Alan

Emily,

I found you was walking around Dalv's house. What did you find?

Jenna

Dalv

We are glad to inform you that you are able to be a tester of Biocreasure Inc. We offer you \$5000/mon.

Biocreasure Inc.

Lisa

I got bitten in Oakland City Hospital today. It's terrible. I think I should visit Oscar.

Dalv

Jenna,

I think Biocreasure Inc has some relationship with the rumor of vampires. That's horrible. If so, their medicine might transfer human into vampire!

Issac

Dear Jenna,

I know you and Issac are very good friends. But once Issac start researching any about his father, please stop him. Thank you!

Lisa

Dalv,

I hope you understand. I have hidden from you and Issac for such a long time. They think I was dead and Issac is finding clues about us. It's time for us to tell him the vampire world.

Lisa

Jenna,

This letter just for a test. If you cannot receive it, there must be someone inside the post office who monitors every letter of mine!

Issac

Dalv,

Don't be interested in too many things. Return the medicine to the lab in time. And take care of your family, otherwise they might be missing.

Oscar

Dalv,

I decided not to tell Issac you work in Biocreature Inc. It's a dangerous work. Take care of yourself.

Lisa

Emily

You found my secret. Don't tell others, otherwise I would bite you and transfer you as me. I will go to hospital tomorrow. Don't let me see you.

Jenna

Hi Alan,

*I was thinking about drop the collage and go to New York with you, but on a second thought, I'll stay. You've been a good friend since dad killed himself, you're MORE than a friend, for real. But I can't just...I want to be a doctor for the sake of mom. I believe we'll meet in the future. Best wishes to you and your music,
Lisa*

Hey Lisa,

Please do our plan more earlier. Find some ways to kill your husband so that you'll be free. Hope to leave here with you.

Alan

Oscar,

Can you help us offer Dalv a job in Biocreature Inc so that he can leave his wife and son. We can give you a fresh human body for your experiment.

The Vampire Association

Lisa,

I had a little accident. I cannot write to you and Issac as often as usual. No worries.

Dalv

Bank Statement

Dalv owes bank a lot of money. And recently he abandon his family and escape to anther city faraway. We cannot find him. Anyone provides any information would be rewarded.

Emily,

Please don't tell others about my secret. I promise to you that I can prevent you from the harm of vampires.

Alan

Issac

Listen, I hear from Oscar that the post office belongs to Biocreature Inc. They may monitor every letter from their staffs. The company may know everything about the town.

Emily,

It has been a year since I moved to Oakland. We hadn't been to that haunted house before I left, have you been there? Is there really a vampire? I heard Oscar had been there once.

Emily is badly ill these days. She might be scared by Dalv. It was said that she owe lots of money to him.

Jenna

Lisa,

I am very surprised you are still alive. My wedding is next month. Do you plan to come? See you tomorrow.

Emily

Lisa,

I heard that Dalv owed bank a great deal of money and ran away from his hometown to here. I don't think he is a good man. Be careful and think over about your marriage.

Emily

Mr. Dalv

We tried to make a delivery yesterday at 12pm, but no one was at home again. So we put it in front of your door. It's heavy and wet.

UPS

Emily,

So glad to know that you are in a relationship! I haven't heard of his last name Oscar in town before. If he does bad to you I will ask Jenna to beat him.

Lisa

Emily,

Oscar is not doing good thing in company. Don't turn a blind eye to him. He is dangerous.

Issac

Oscar,

Happy valentine's Day! This box of chocolate is for you. I just want you to know that I will not be afraid of your past. If you feel like telling me everything, I'm always willing to listen.

Yours lovingly, Emily

Oscar,

Seems you're happy these days. How is Emily? I think she found the dead body last night. I made a mistake.

Dalv

Alan,

I suffer enough! Don't touch Lisa and Issac. I'll go with you guys! Just don't touch them!

Dalv
