

*Issac had a happy but poor childhood. His dad Dalv worked in another state and mom Lisa got sick when he was 12. He had a music dream and Alan was one of his teammates in the band. Dad didn't write home for almost 4 years and Lisa died. He had to drop school and his music dream, then went to another state for his dad. Jenna was his girlfriend and helped him a lot in finding clues of Dalv. Issac got stuck and every clue pointed to Biocreature Inc. and the Vampire Association. He wanted to be one of vampires to find dad, but was rejected.*

*Lisa and Emily were Oscar's friends and then Oscar married Emily. Oscar was a doctor in Oakland City Hospital and recently got a job in Biocreature Inc. To accelerate his research, he was doing human experiments secretly, which was found by vampires. Vampires threaten him into doing things for them, like producing painless transferring medicines. Oscar fell into love with Jenna, a charming woman who want information from the Biocreature Inc. Finally, Oscar got divorced with Emily and was fired by the company.*

*Lisa has a good friend Emily and a boyfriend Alan. Lisa and Alan broke up when Alan was planning to move to New York. When Lisa was 17 she moved to Oakland and married Dalv. Then they had a sweet son Issac. Alan found Lisa somehow and wanted to take her away, but were refused. Suddenly Alan bit Lisa and transferred her into a vampire. Lisa knew she could no longer live with Dalv and Issac so she pretended to be badly sick and passed away. With the help of vampire association it succeeded under Issac's nose. Once, after Dalv got the medicine she wanted to retreat and live with Dalv and Issac. But finally she left with Alan.*

*Emily lost her mom when she was a little girl. And her best friend Lisa move to Oakland later. She met Oscar and married him, then led a rich life. But she was curious about everything. She knew Alan beats Jenna frequently, Dalv's past, and Alan's a vampire. One day she saw a body similar to Lisa in the front of Dalv's house and was badly scared. Then she was informed that Lisa was dead with body missing. She loved Oscar and didn't tell anybody that Oscar's doing some human experiments secretly. Finally Oscar discarded her due to his romance with Jenna.*

*Jenna is a charming lady. She was bit by vampire many years ago and it was vampire blood making her so charming. She is Alan's wife in law but often gets beaten by him. She has loved Issac for many years and helped him finding his dad. For helping him, she seduced Oscar and got lots of hidden information about Biocreature Inc.. She went to Oakland City Hospital to prevent Alan from killing Dalv, since Dalv is also Issac's father. But she failed at last.*

*Dalv got married in another state far from here and raised several sons, one of them is Alan. After he had a lot of debt, he discarded his family and ran away from hometown. He married Lisa, had a son Issac, and start a new life. To support the family, he worked as a tester in Biocreature Inc. for dangerous medicines. After that, he cannot go home or write home frequently. Lisa got badly sick suddenly and Dalv stole a medicine from lab of Biocreature Inc. intending to save his wife's life. His son Alan wanted to revenge and threatened Lisa and Issac. Lisa died but her body was missing. Finally Dalv agreed to be a vampire for Issac's safety. But accident happened during transforming and Dalv died in Oakland City Hospital.*

*Alan had a music dream when he was a child, which was supported by his uncle Oscar. His father Dalv kicked him out from family when he was 10. Alan broke up with his girlfriend Lisa when he decided to drop school and go to New York. He married Jenna but the marriage was not satisfying. He often drunk a lot and beat Jenna. After pursuing his music dreams for years and being rejected by some bands, he got desperate. He turned to vampires for help and eventually transferred to a vampire. When he heard about his father Dalv was dying, he went to Oakland City Hospital and bit Dalv. Then he took his ex-girlfriend Lisa (who is currently Dalv's wife) away.*
