

Dear Emily,

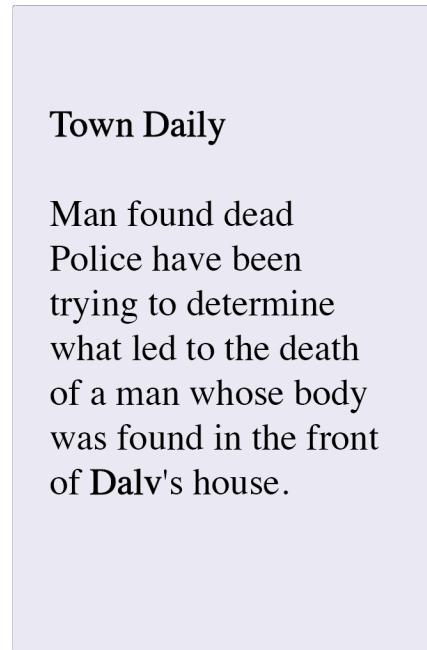

It has been a year since I moved to Oakland. We hadn't been to that haunted house before I left, have you been there? Is there really a vampire? I heard Oscar had been there once. Here is the present for you!

Lisa

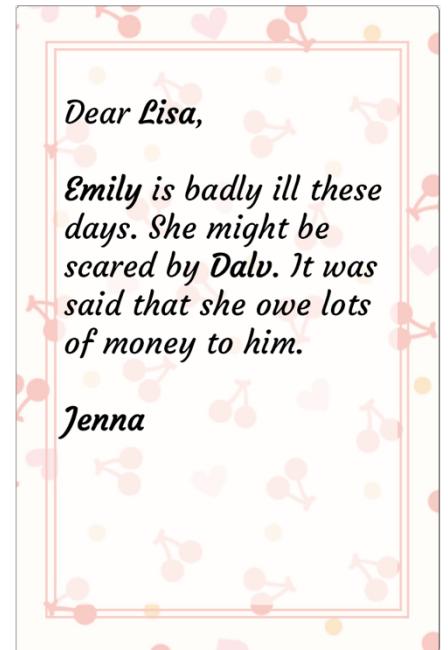

Town Daily

Man found dead in Oakland City Hospital. Many people were injured. People panicked and ran away.

Town Daily

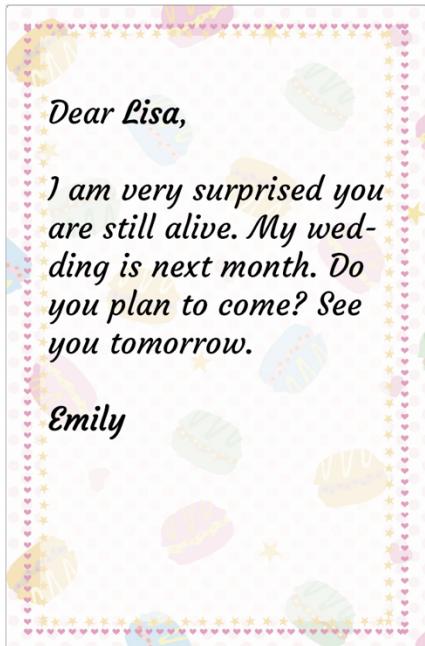

Man found dead. Police have been trying to determine what led to the death of a man whose body was found in the front of Dalv's house.

Dear Lisa,

Emily is badly ill these days. She might be scared by Dalv. It was said that she owe lots of money to him.

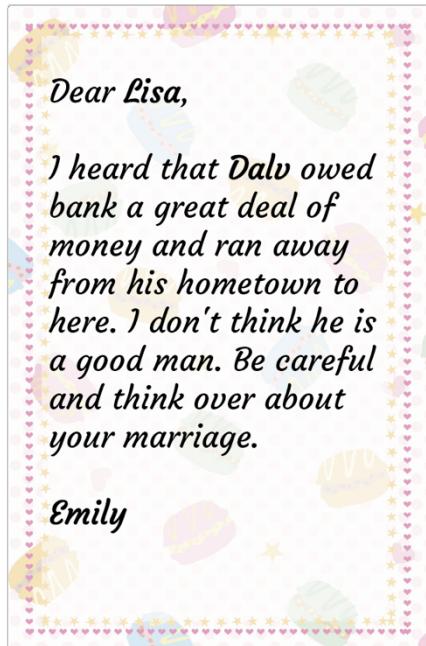

Jenna

Dear Lisa,

I am very surprised you are still alive. My wedding is next month. Do you plan to come? See you tomorrow.

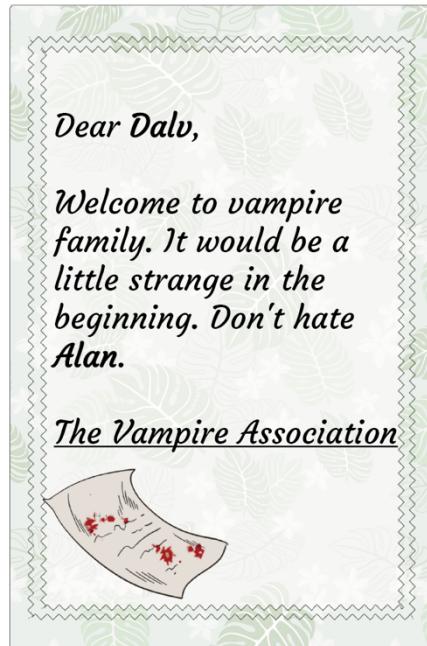

Emily

Dear Lisa,

I heard that Dalv owed bank a great deal of money and ran away from his hometown to here. I don't think he is a good man. Be careful and think over about your marriage.

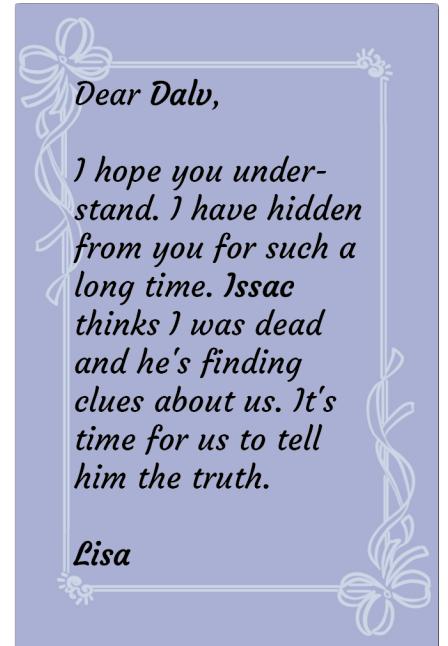

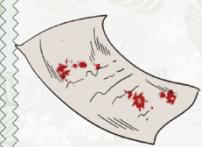

Emily

Dear Dalv,

Welcome to vampire family. It would be a little strange in the beginning. Don't hate Alan.

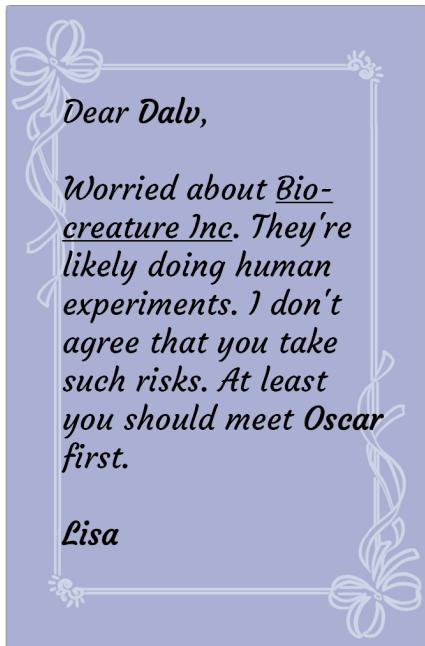

The Vampire Association

Dear Dalv,

I hope you understand. I have hidden from you for such a long time. Issac thinks I was dead and he's finding clues about us. It's time for us to tell him the truth.

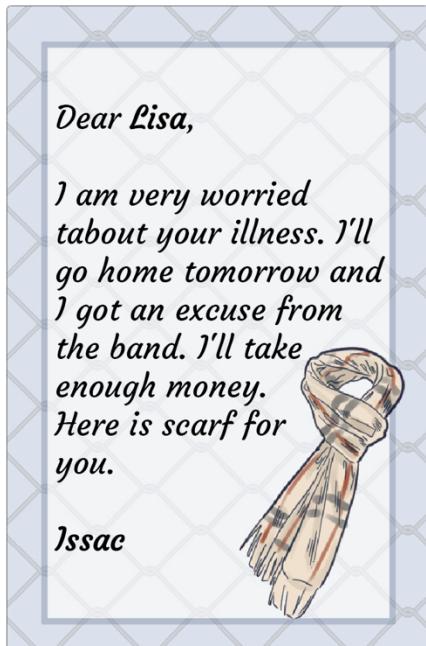

Lisa

Dear Dalv,

Worried about Bio-creature Inc. They're likely doing human experiments. I don't agree that you take such risks. At least you should meet Oscar first.

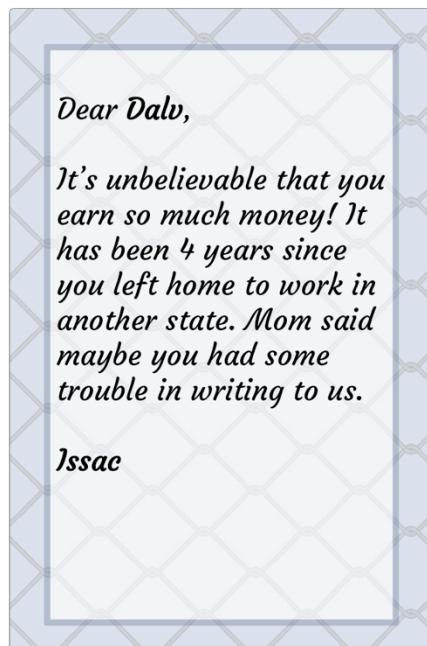

Lisa

Dear Lisa,

I am very worried about your illness. I'll go home tomorrow and I got an excuse from the band. I'll take enough money. Here is scarf for you.

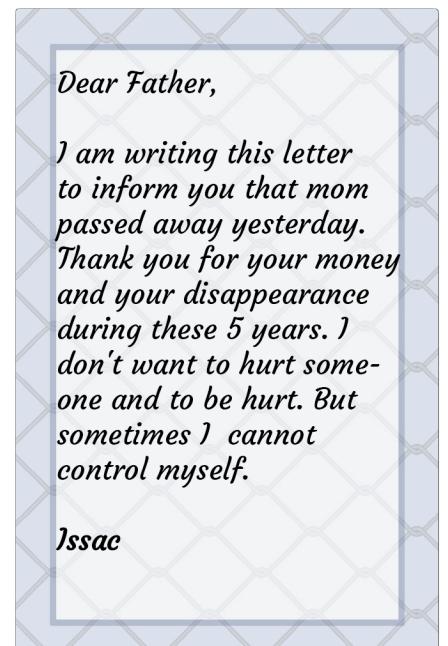

Issac

Dear Dalv,

It's unbelievable that you earn so much money! It has been 4 years since you left home to work in another state. Mom said maybe you had some trouble in writing to us.

Issac

Dear Father,

I am writing this letter to inform you that mom passed away yesterday. Thank you for your money and your disappearance during these 5 years. I don't want to hurt someone and to be hurt. But sometimes I cannot control myself.

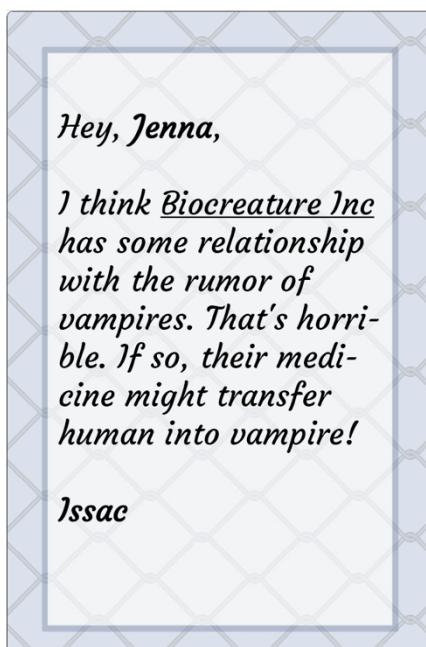

Issac

Lisa my wife

I got bitten in Oakland City Hospital today. It's terrible. I think I should visit Oscar.

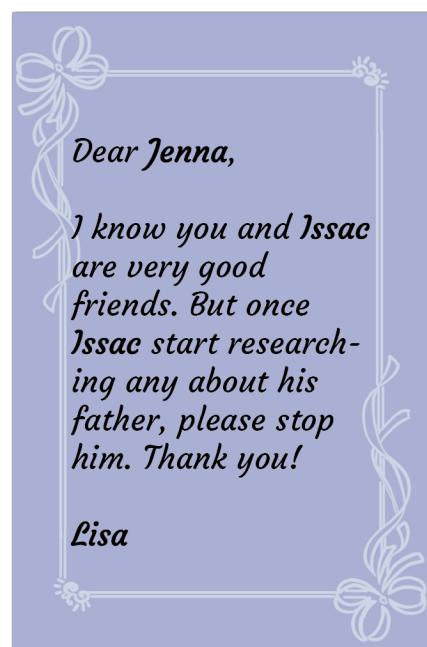

Dalv

Hey, Jenna,

I think Biocreature Inc has some relationship with the rumor of vampires. That's horrible. If so, their medicine might transfer human into vampire!

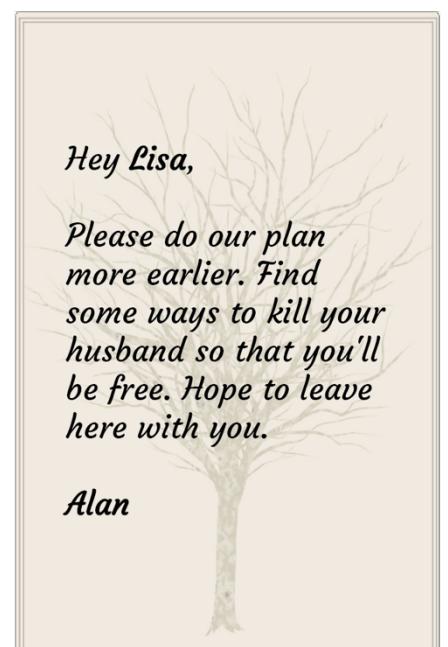

Issac

Dear Jenna,

I know you and Issac are very good friends. But once Issac start researching any about his father, please stop him. Thank you!

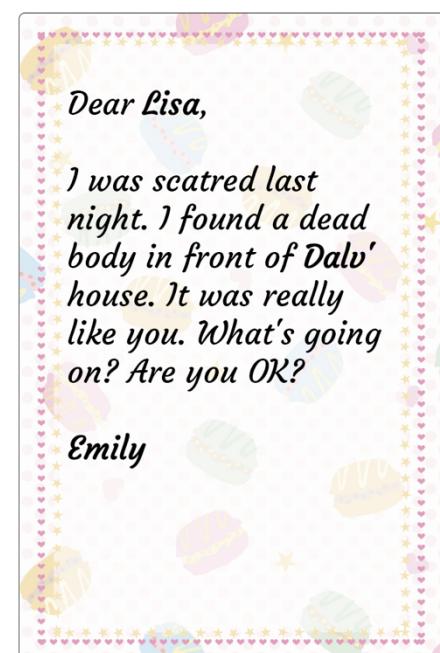

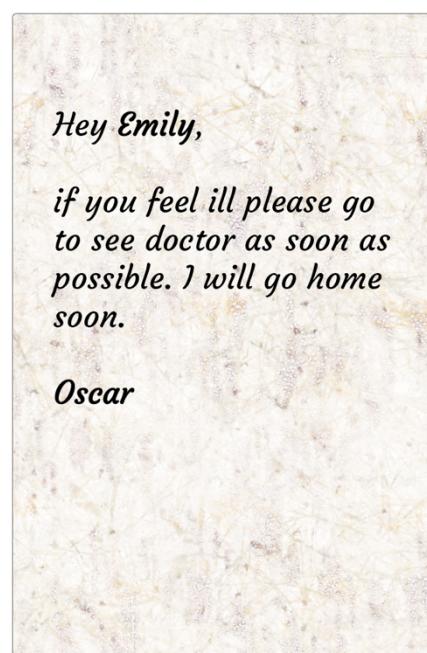

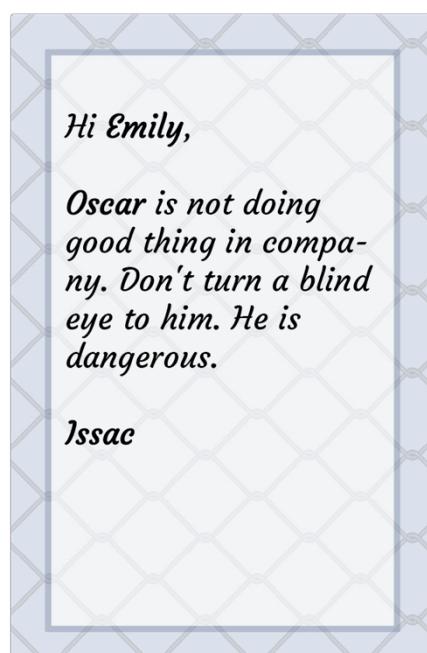

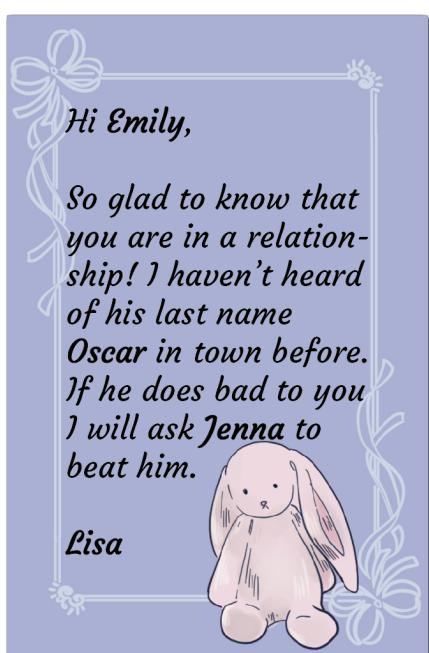

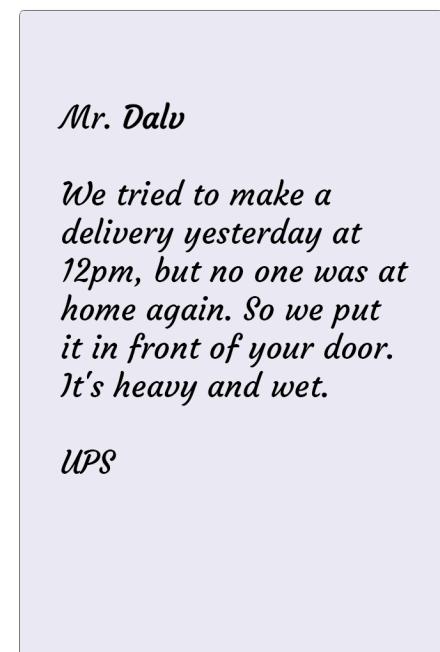

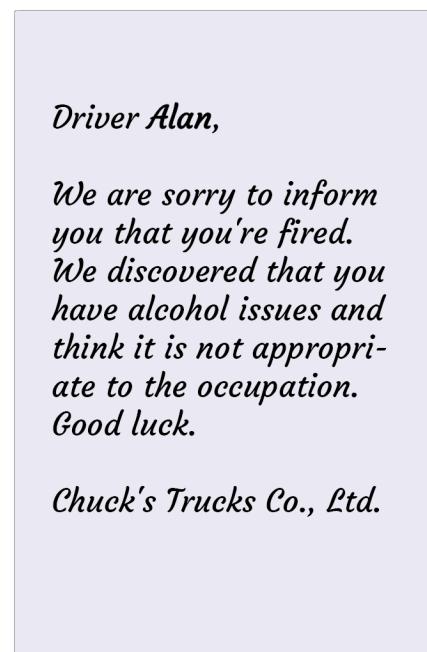

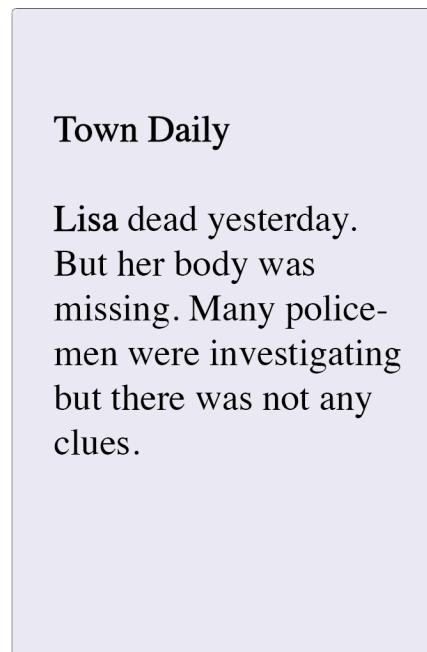

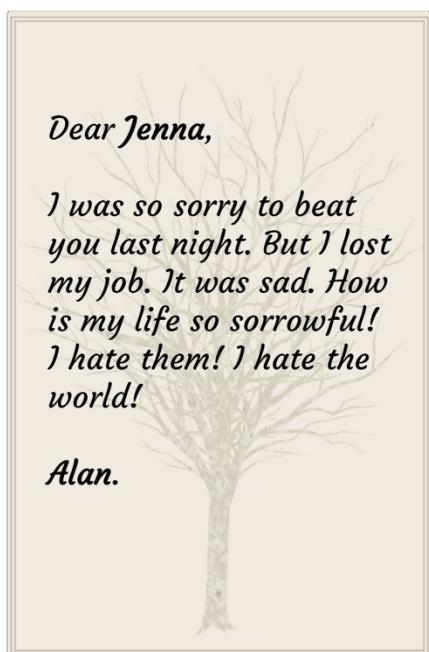

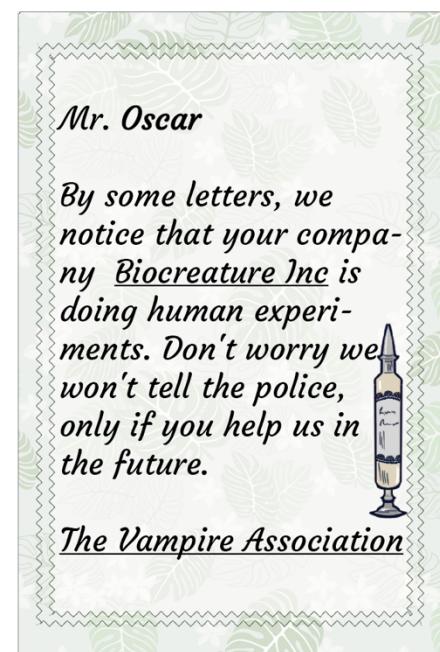

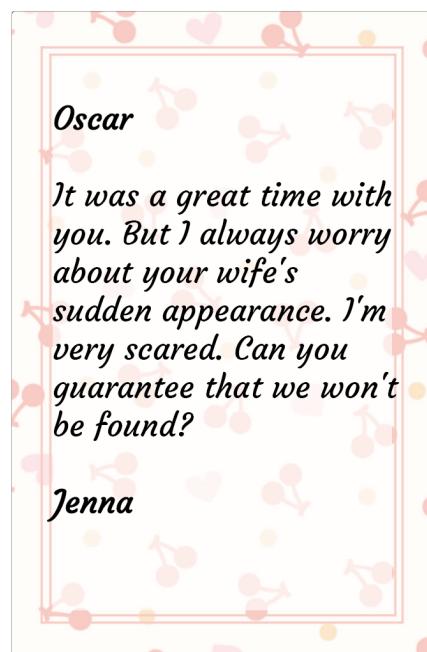

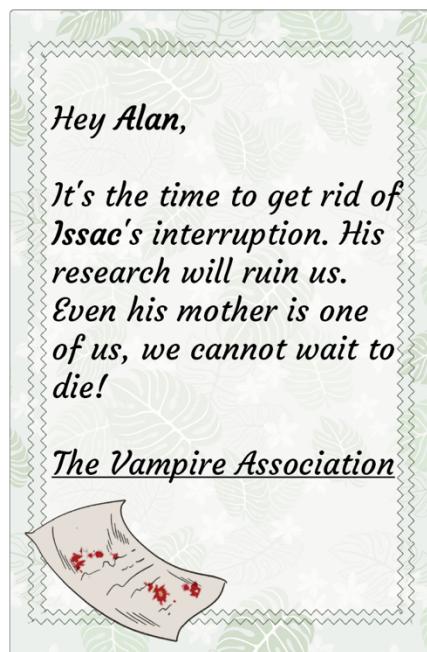

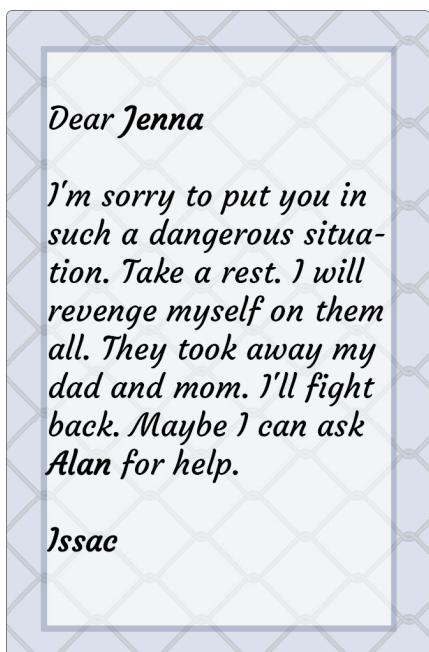

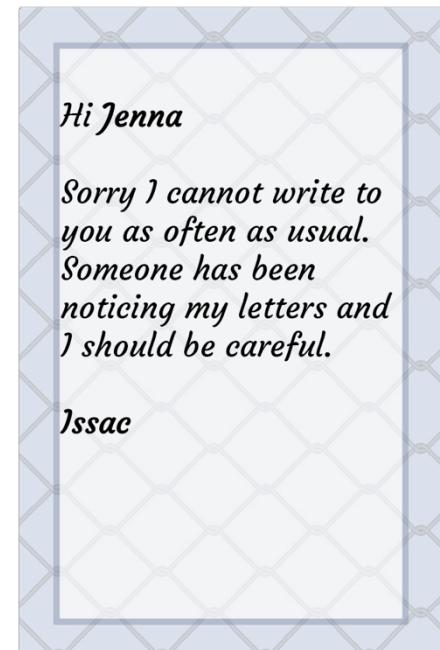

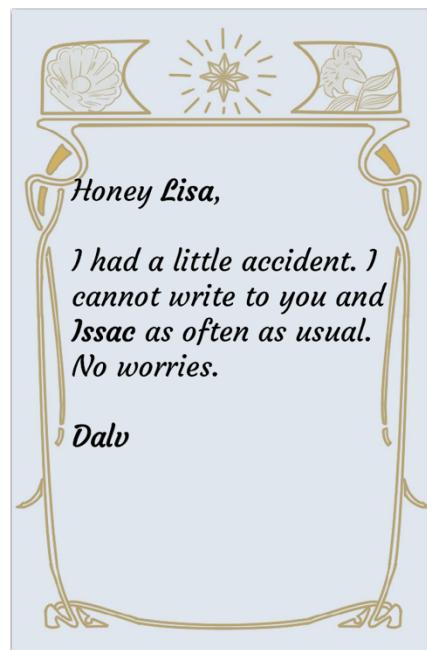

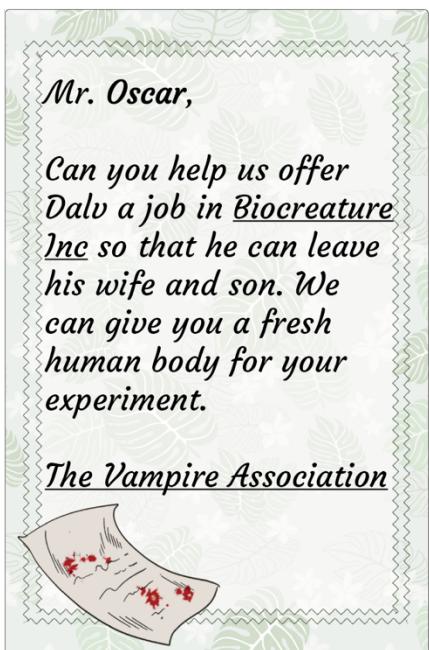

Lisa

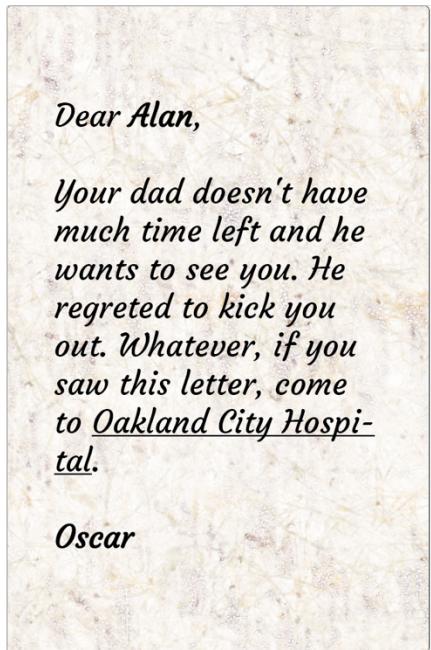

Hey Lisa,

Please do our plan more earlier. Find some ways to kill your husband so that you'll be free. Hope to leave here with you.

Alan

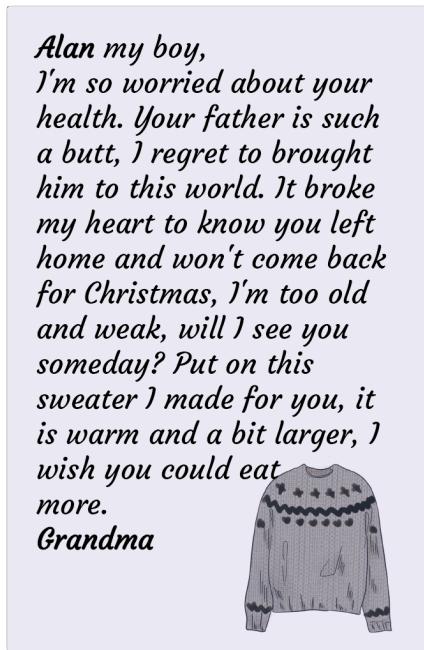

Dear Alan,

Your dad doesn't have much time left and he wants to see you. He regreted to kick you out. Whatever, if you saw this letter, come to Oakland City Hospital.

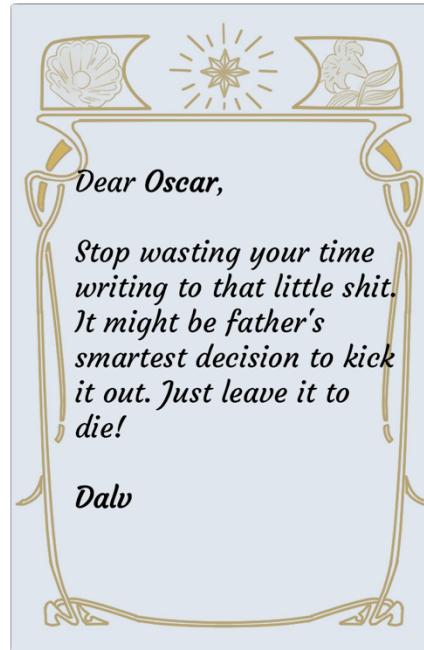

Oscar

Alan my boy,

I'm so worried about your health. Your father is such a butt, I regret to brought him to this world. It broke my heart to know you left home and won't come back for Christmas, I'm too old and weak, will I see you someday? Put on this sweater I made for you, it is warm and a bit larger, I wish you could eat more.

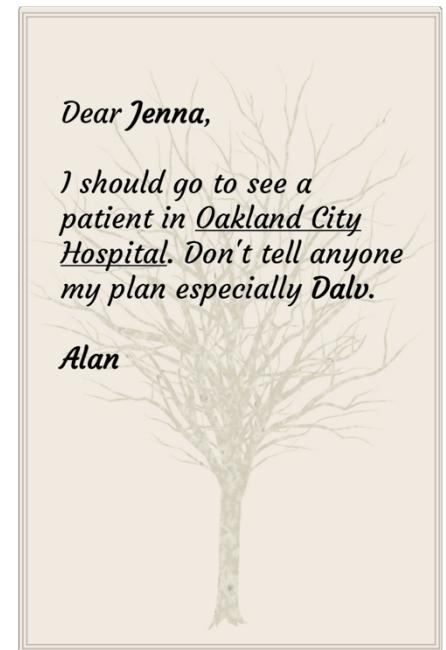

Grandma

Dear Oscar,

Stop wasting your time writing to that little shit. It might be father's smartest decision to kick it out. Just leave it to die!

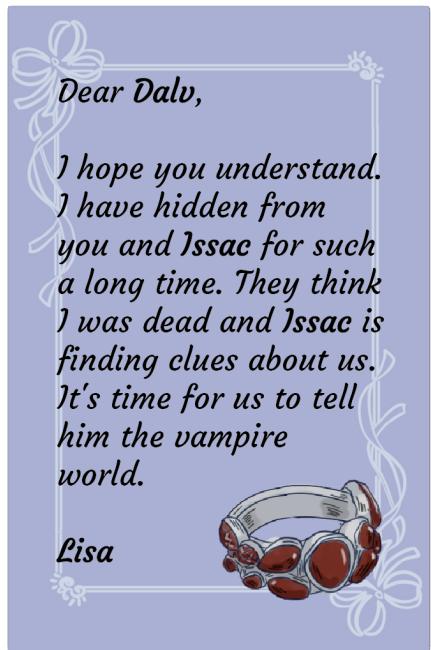

Dalv

Dear Jenna,

I should go to see a patient in Oakland City Hospital. Don't tell anyone my plan especially Dalv.

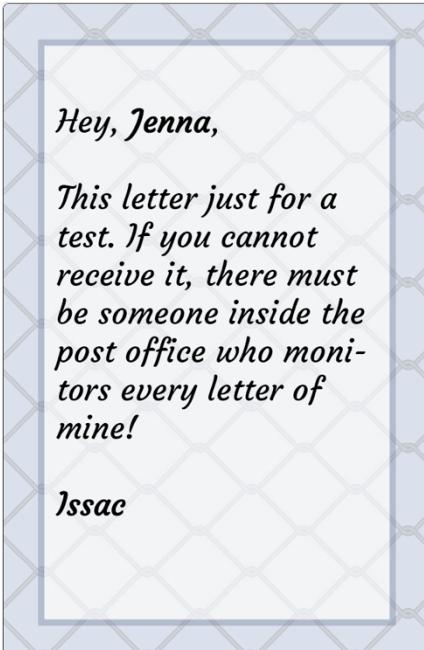

Alan

Dear Dalv,

I hope you understand. I have hidden from you and Issac for such a long time. They think I was dead and Issac is finding clues about us. It's time for us to tell him the vampire world.

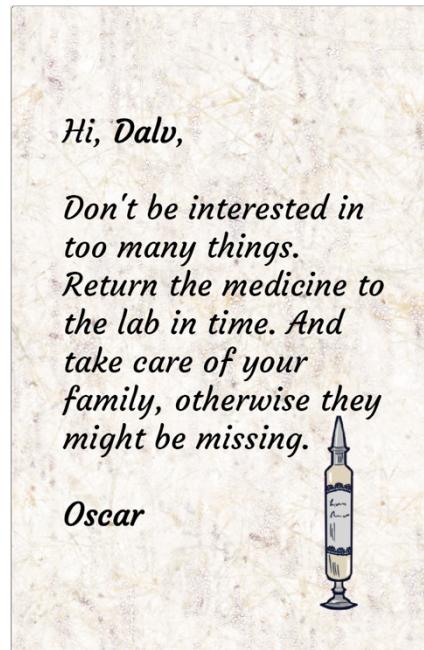

Lisa

Hey, Jenna,

This letter just for a test. If you cannot receive it, there must be someone inside the post office who monitors every letter of mine!

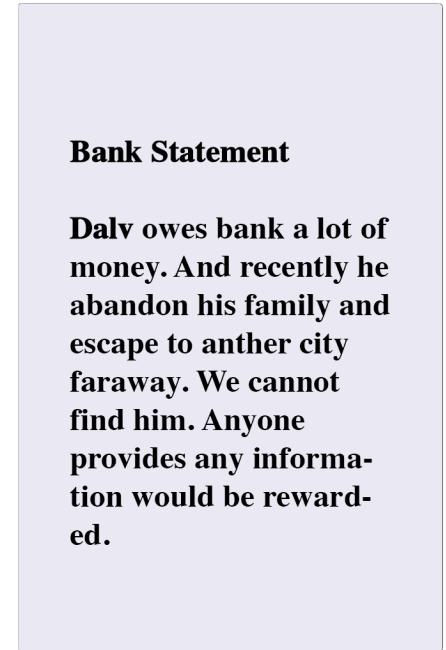

Issac

Hi, Dalv,

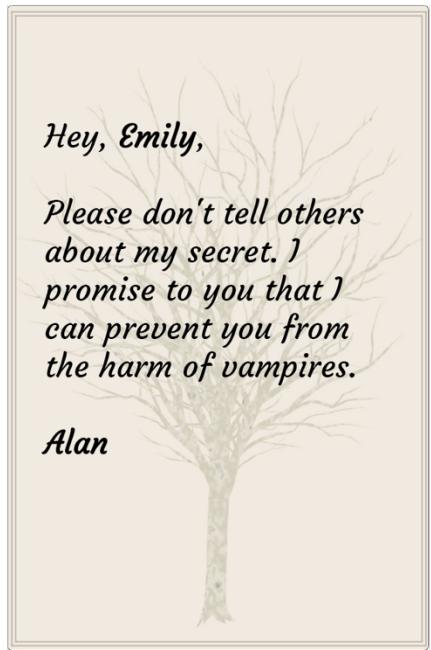

Don't be interested in too many things. Return the medicine to the lab in time. And take care of your family, otherwise they might be missing.

Oscar

Bank Statement

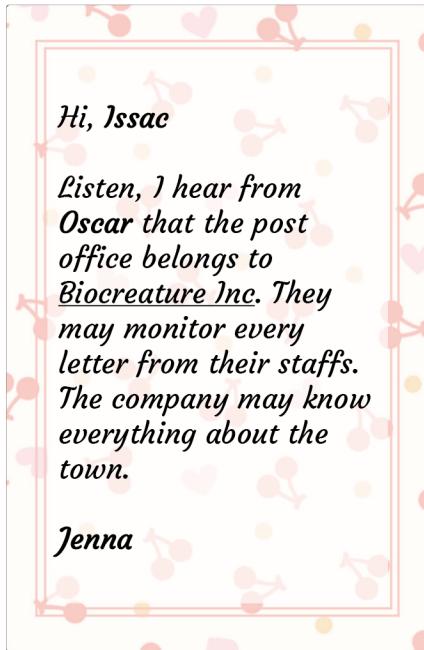

Dalv owes bank a lot of money. And recently he abandon his family and escape to another city faraway. We cannot find him. Anyone provides any information would be rewarded.

Hey, Emily,

Please don't tell others about my secret. I promise to you that I can prevent you from the harm of vampires.

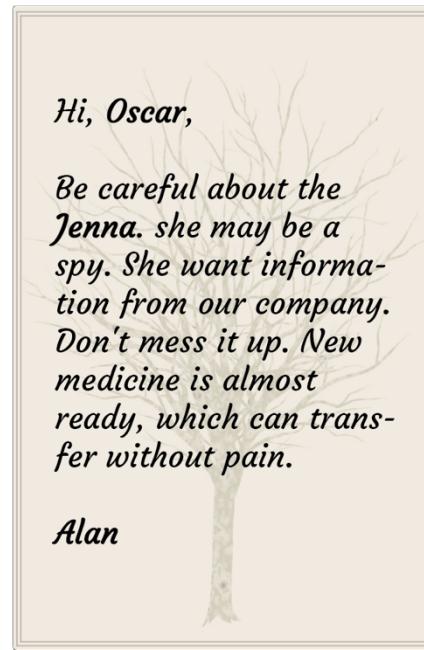

Alan

Hi, Alan

Listen, I hear from Oscar that the post office belongs to Biocreature Inc. They may monitor every letter from their staffs. The company may know everything about the town.

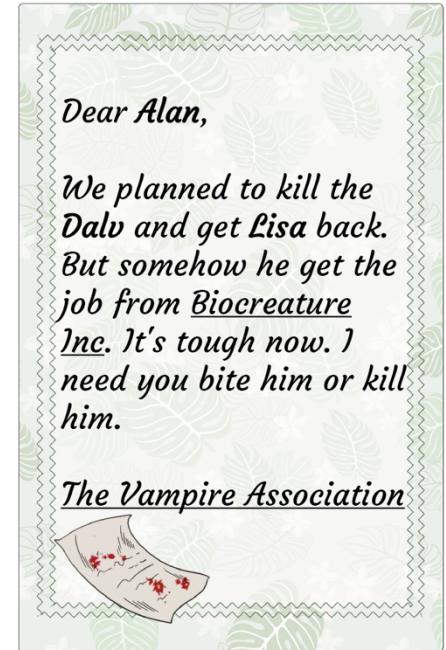

Jenna

Hi, Oscar,

Be careful about the Jenna. She may be a spy. She want information from our company. Don't mess it up. New medicine is almost ready, which can transfer without pain.

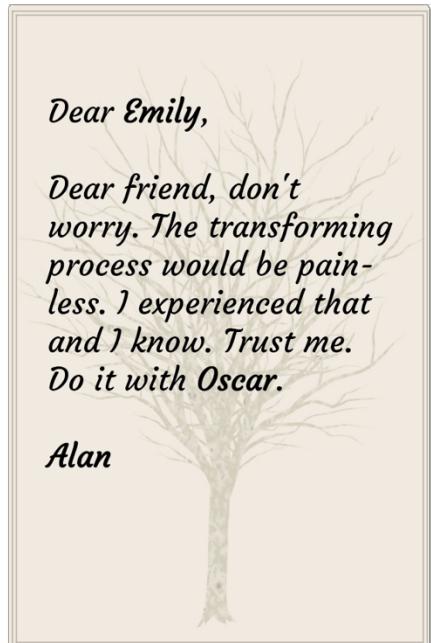

Alan

Dear Alan,

We planned to kill the Dalv and get Lisa back. But somehow he get the job from Biocreature Inc. It's tough now. I need you bite him or kill him.

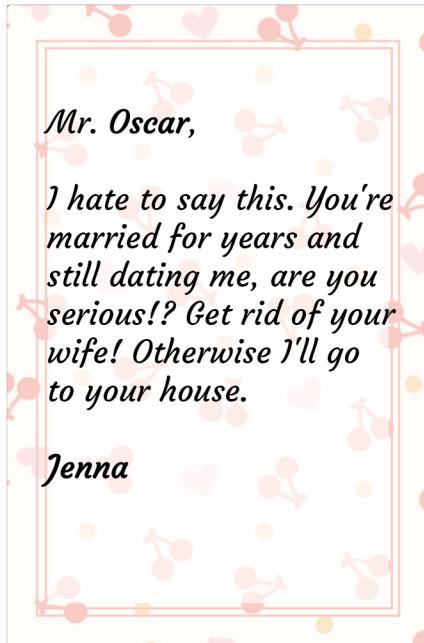

The Vampire Association

Dear Emily,

Dear friend, don't worry. The transforming process would be painless. I experienced that and I know. Trust me. Do it with Oscar.

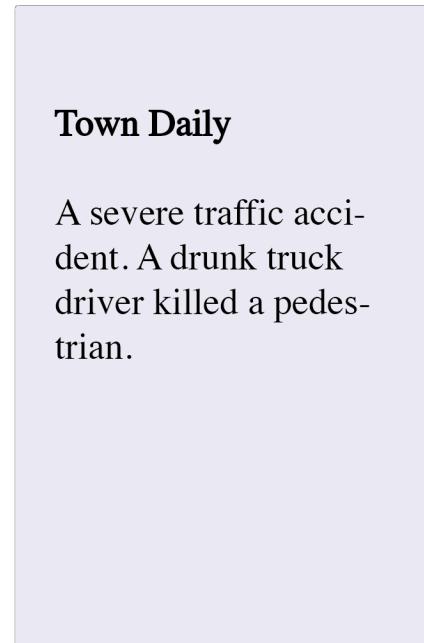

Alan

Mr. Oscar,

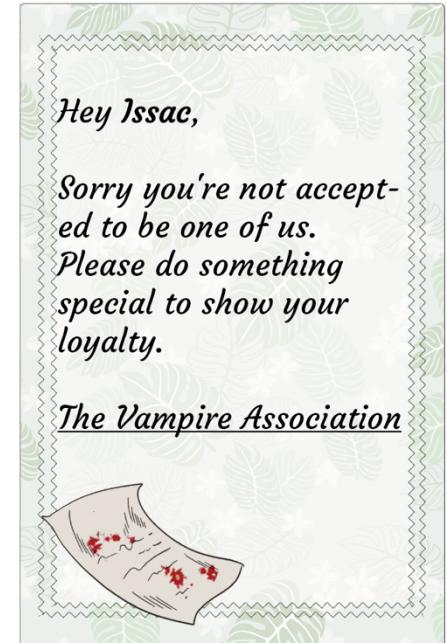

I hate to say this. You're married for years and still dating me, are you serious!? Get rid of your wife! Otherwise I'll go to your house.

Jenna

Town Daily
